

Agreement for participation in the:

South Coast Beef School Steer Spectacular

4 – 8 May, 2021

This is an agreement (The Agreement) between South Coast Beef (SCB) as organisers of the South Coast Beef School Steer Spectacular (Spectacular) and participating schools (Schools)

This Agreement details the responsibilities of each party in the lead-up to and conduct of the Spectacular and should be read in conjunction with the 2021 South Coast Beef School Steer Spectacular – Exhibitor Information and Regulations (*See www.southcoastbeef.asn.au for details*).

Under the 2021 format there will be two Sections of competition:

- Section 1: South Coast Beef School Steer Spectacular - Manildra School Championship
- Section 2: South Coast Beef School Steer Spectacular - Open Steer Challenge

This Agreement is applicable only for schools entering steers into Section 1 of the School Steer Spectacular. See new Exhibitor Information and Spectacular Regulations for further details.

Schools entering steers in Section 2 of the School Steer Spectacular are expected to and are bound by the Regulations and Exhibitor Information that relate to the overall conduct of the Spectacular consistent with standard industry requirements.

Terms of this Agreement

South Coast Beef:	Participating School:
Will	Must
1. Where a school does not have their own source of steers for entry in Section 1, SCB will assist in identifying such source(s) Notwithstanding SCB cannot guarantee sourcing one or more steers for any school.	1. Source/enter a maximum of two steers for the Manildra School Championship.
2. Arrange for DDG to be provided by Manildra Group adequate for the growth of steers over a 70-90 day feeding period to meet the market specifications (<i>Section 1 only</i>).	2. Collect the allocated Dried Distillers Grain (DDG) pellets from Manildra, Bolong Rd Bomaderry on one of the designated collection days. 800kg of DDG pellets will be provided free of charge for each steer.
3. Conduct the Spectacular, and notably the showground activities, in a safe and secure environment for animals, competing schools, students and other patrons to the event.	3. Arrange for and provide all roughage requirements (supplemental to the DDG) for the steer(s) over the entirety of the feeding period.

South Coast Beef: Will	Participating School: Must
4. Arrange for humane, safe and adequate accommodation facilities at the event and suitable transport and processing of steers.	4. Train and educate the steer(s) to lead safely for judging in the Led Steer Championship
5. Communicate all details of the Spectacular to schools/teachers in a timely and accessible manner.	5. Provide steers with access to adequate feed (quality and quantity), water and shelter to meet their productive and welfare needs every day during their preparation for the Spectacular (70-90 days).
6. Arrange for and manage: - social media content and - mass media promotion for the Spectacular before, during and after the event.	6. Provide steers with the necessary animal health procedures to present them in a healthy condition, free of any withholding period, for the led steer and steer carcass competitions on the dates specified for those competitions.
7. Conduct the Spectacular under fair and equitable rules of engagement for all competing schools/students.	7. Weigh, record and graph on no less than a weekly basis the feed intake and resultant growth response for each steer.
8. Provide a hard copy of the Report to the owners/breeders of the cattle and Manildra for their assessment of the performance of their cattle and/or feed.	8. Present a clear and concise monthly report ie March 1 and April 1, to the SCB Spectacular organising committee on the progress performance of your steer(s).
9. If in the opinion of the SCB Spectacular Committee, any steer(s) are deemed NOT to be progressing towards a suitable condition for slaughter, the Committee reserves the right to return the steer(s) to the breeder along with any remaining DDG.	9. Prepare and present the complete results of the feeding and preparation of your steer(s) at the allotted time as part of the Report Presentation at the Spectacular.
10. Assess performance of students /steers / schools and award prizes fairly and equitably and in accordance with the rules of the Spectacular and scores obtained.	10. Report any animal issues or difficulties to the Spectacular Committee representative as soon as they are identified at any time throughout the 70-90 day feeding period.
11. Prepare and present results of the competitions at the earliest possible time in a manner accessible to stakeholders.	11. Prepare and deliver steers in a suitable “market ready” condition to the nominated venue at the specified time in preparation for judging.
12. Arrange payment for carcasses to schools and breeders at the earliest possible time after judging according to the information provided on the Owner Advice Form.	12. Correctly complete a National Vendor Declaration (NVD) for consignment of steers to the designated meat processor and submit to the Chief Steward on arrival at the Spectacular.

South Coast Beef: Will	Participating School: Must
13. SCB representatives will at all times during the Spectacular, conduct themselves in a respectful and courteous manner.	13. Complete the Owner Advice Form for each steer and submit to SCB on arrival at the designated venue to ensure correct and timely payment of proceeds from the sale of the steer carcasses.
